- ☒ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview directly resulted in the allowance of the application. The examiner will provide a written summary of the substance of the interview in the Notice of Allowability.
☐ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview did not result in resolution of all issues. A brief summary by the examiner appears in Part II above.

(Examiner/SPE Signature)

(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: The Examiner indicated that the claimed subject matter was allowable, but requested permission to make minor amendments to the claims.

In specific, the Examiner indicated that the extra "0" would be cancelled from the identification of the hybridoma in claim 4 (amending "FERM-58280" to read -FERM-5828- -, and each of claims 4, 18, 49, and 50 would be amended such that the reference to the deposit as a parenthetical would be deleted, and the phrase - -, deposited as FERM-5828- - would be inserted after the phrase "a mouse-mouse hybridoma HFE7A" at the end of the indicated claims. The Applicant agreed to these amendments, and gave permission for the Examiner's Amendment. .
